## All Disciplines

### Award #9072

**Category:** Lecturing/Research

**Deadline:** August 1, 2008

**Grant Activity:** Teach undergraduate and graduate courses in any of the wide range of disciplines. Supervise student theses and dissertations and serve as a member of the board of examiners for defense of student theses. Provide assistance and advice on implementation of the academic degree reform underway in order to match the U.S. educational system. Conduct research in area of specialization.

**Specialization(s):** The following specializations are of special interest: American civilization and literature, American studies, teaching English as a foreign language, business and management, agronomy, agribusiness, engineering, environmental sciences, environmental law, economics, communications, geology, biology, chemistry, computer science, geography, history, mathematics, physics and medical sciences. Applications are also welcome more broadly in social sciences, humanities and natural and applied sciences.

**Location:** See comments

**Length of Grant:** 10 months

**Starting Date:** January 2010

**Comments:** Possible host institutions follow: University of Antananarivo, University of Antsiranana, University of Mahajanga, University of Toamasina, University of Fianarantsoa and University of Toliara. Candidates are encouraged to contact Mr. Lanto Hariveloniaina at: harivelol@state.gov at the U.S. Embassy in Madagascar for host country contact information.

**Staff:** Assistant Director Debra Egan, 202.686.6230, [degan@cies.iie.org](mailto:degan@cies.iie.org) or Program Associate Matthew Fortier, 202.686.4027, [mfortier@cies.iie.org](mailto:mfortier@cies.iie.org)

The Fulbright Program is a program of the U.S. Department of State, Bureau of Educational and Cultural Affairs. CIES is a division of the Institute of International Education.
